3201901500

Plastic bottle for babies | with silicone teat | teat size 1 (approx. 0–24 months) | capacity: approx. 250 ml

Material: polyamide (bottle body), polypropylene (screw connection), silicone (teat), free of bisphenol A

RS e-tron GT pullback
Tango red | 3202100100
Kyalami green | 3202100110

Pullback car in scale 1:42 | not suitable for children under 3 years | body made from die-cast zinc

A photograph of a museum gallery with a starry night sky on the ceiling. Two miniature Audi cars, a sedan and a station wagon, are on the floor. A large glass display case is on the right.

Small models. Big fascination.

Audi collection | Miniatures

Genuine fascination often starts small. No wonder. After all, Audi miniatures faithfully reproduce the original Audi models in every detail. Discover the massive pull of these miniature models.

Audi e-tron GT sculpture, anthracite
5012120033

Sculpture made of cast aluminium

We don't
recount legends.
We build them.

Audi collection | Miniatures | Tradition

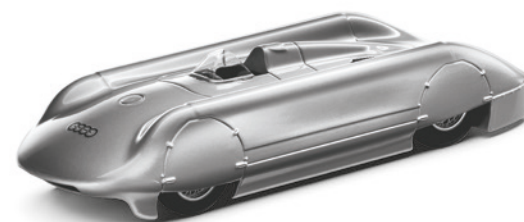

The allure of many of the models produced by Audi for over more than 100 years remains unchanged. Which is reason enough to bring our milestones to life in 1:43 scale. More than just fascination – history you can touch, progress you can collect.
